Remember how He spoke to you when He was still in Galilee,  
“Saying,  
**‘The Son of Man must be delivered into the hands of sinful men, and be crucified, and on the third day rise again’**”

Greetings in the name of our Lord Jesus Christ,

As we prayerfully strive to see how we can be the most effective in sharing the gospel with those that don't know Jesus Christ, discipling those that do know Jesus and making our community better through providing an environment where those without a home can find a safe place to heal from their addictions and mental health trauma the Board of Directors at the South Coast Gospel Mission has unanimously decided to expand from a maximum total of seven board members to nine.

The Board of Directors is an essential part of the operation of the Mission. They exercise accountability, delegate to management, and establish vision, mission, and values. I am super excited to introduce you to four of our newest Board Members. Each new board member brings a special gift that I can't wait to see bear fruit.

Paul Gonzales is the new Chairman of the Board. He is certified through the state of Oregon as a Certified Recovery Mentor and Certified Alcohol and Drug Counselor. As member of Skyline Baptist Church Paul has served in the high school youth ministry as a small group leader. He brings years of experience in navigating homelessness, addiction, the child welfare system and the criminal justice system. In 2018 Paul joined Bay Area First Step where he started as a peer support specialist and quickly advanced into the Director Services where he supervises and trains all the agencies peer support staff. Paul, his wife and kids are active in their local church and have been on a missions trip to Mexico to build housing for poor families.

Steve Plinski is an amazing blessing to the Mission who works tirelessly to show and teach the love of Jesus Christ. He has been serving at the Mission for many years and had (still has) a huge impact on my own walk with Jesus Christ. Along with being a regular chapel speaker he provides one on one fellowship and discipleship with residents. Steve also provides transportation to Hauser Community Church where he is a member. Steve is a retired attorney and was judge pro tem for Coos County. Steve has been active with "Are You Hungry Community Meals," Coos Elderly Services, local and international Habitat for Humanity.

Greg Young is a man who has always believed in being in the trenches and sharing the gospel with those in desperate need of a savior. A former business owner he is now retired. Greg was the worship leader at College Park Church where he started the "Are You Hungry Community Meals" feeding ministry supplying hot meals, sack lunches and bread to those in need in Coos County. He brings a wealth of experience working with community partners.

Evelyn Luce is an active member of Shoreline Community Church. She is a business owner who is semi-retired. She has a true servant's heart devoting her time to helping those in need and before being asked to join she had always made it a point to be available to serve at the Mission whenever it was needed.

I praise God everyday for His faithfulness in sending the South Coast Gospel Mission the servants needed to carry out His work, sharing the Gospel in love.

The South Coast Gospel Mission receives no government funding
