Greetings in the name of our Lord Jesus Christ,

Are you in need to hire a worker around your home to do odd jobs? I have just the Disciple for you! The Mission could not operate without its resident staff but the work they do here is free as they pursue a life dedicated to following Jesus Christ. For some this also means giving up the pursuit of a regular nine to five job as their responsibilities here keep them busy. They still have needs however so I thought I would put up a picture of my trusted staff, true Christian soldiers and let the supporters of the Mission know if you need work done I got the man or woman for you. Just call the Mission at 541-269-5017

Maddy came to us with her daughter Evee two months ago. Evee is now five months old and Maddy is twenty. Maddy does not have a drug or alcohol problem. She is simply a young lady who followed her boyfriend to Bandon for a promised job and a place to live. The job was found but the place to live was not. So they made the painful decision to separate so she and baby Evee would not have to live on the streets while he continues to work and save money.

Maddy did not know Jesus before staying at the Mission. I had the most pleasant surprise during the Missions first Art Therapy class. It is a little hard to read in the picture but Maddy's painting reads "The best way to heal a broken heart is to give God all the pieces." Maddy says she likes that the Mission is more than just a place to get sober but is also a place to build a personal relationship with Jesus Christ.

Thank you Christina Reyes for bringing Art Therapy to the Mission. Christina is a member of The Harbor Church in Coos Bay. She learned how to minister with Art Therapy at the Bethel Church in Redding CA.

Years ago, a tree stood in this spot and as the tree grew bigger it buckled the sidewalk and made it dangerous to walk on. So, we got a jackhammer a wheelbarrow and some two by fours and went to work. I would like to say thank you to Karl Lagace from Port Orford and his grandson Travis who along with our resident staff member Steve mixed 33 bags of concrete in a wheelbarrow and fixed the Missions sidewalk! Thank You!!

Pray Oregon Coast happened again at the Mission Sept 1st. It was an amazing night of prayer and worship with brothers and sisters coming from all over Coos County with everyone in unison serving our Lord Savior Jesus Christ. It is truly my favorite night of the month. The Mission is blessed that our Lord considers us worthy to host such an amazing event. The Mission will host Pray Oregon Coast again on Dember 15th.
